GET READY FOR CHIPPER DAY IN MARCH!

It is time for our annual community event to clean up excess brush and limbs to keep our neighborhood safe from fires.

The HOA arranges the chipper and crew from a professional contractor to come throughout the neighborhood to pick up our piles of branches.

While we have not received funds from Firewise yet for chipper day, we have budgeted for it. We will plan for pick up in late March. As a benefit, all neighbors who have paid the \$60 HOA dues this year can participate free. If you are not a member, you can request to participate for \$75.

To get on the list, please contact Kenny Perry, our Firewise Coordinator:

To see a reminder of Chipper Day guidelines (what size piles, etc) please visit our chipper day page on our HOA website at <https://ramblingridge.com/chipper-day/>

DOT Road Repair Update

While we have come a long way from this photo after Helene, we still have a few orange cones and potholes scattered throughout the neighborhood that we are waiting to be repaired.

After our recent ice storm then snowfall, the state plow trucks have damaged some of the roads as well. We have taken photos along Eagle Rock, Loggers, Rambling Trail, Meadowood, Willow Wood, Trappers, Gray Fox and Deer Run. Those photos were submitted for repair requests. As you can imagine, there are many repairs in Henderson County. If you would like to submit a road repair request on your state road, you can contact DOT with your name and address on their website:

Dumpster on Demand is a neighborhood program designed to help residents easily clean up yards, tackle clutter, and support ongoing community beautification.

By sharing a conveniently placed dumpster at Whippoorwill, neighbors can dispose of unwanted items without the hassle of multiple trips or individual rentals. Participation is just \$20 per household, and spots are filled from a signup list. Contact Kenny Perry to get on the list!

Our neighborhood is collecting a list of trusted service providers recommended by our neighbors. To ensure our list reflects positive, reliable experiences within our community, vendors and business owners are included after receiving at least two favorable referrals from residents. Our goal is to help neighbors connect with dependable local professionals who have already earned the confidence of our neighborhood.

You can find the list [here](#)
